

REPUBLIC OF TÜRKİYE
MINISTRY OF TRADE

01.11.2024

IMPORTANT NOTICE
IMPLEMENTATION OF NCTS PHASE 5 IN TÜRKİYE

The new version of the transit system that is used both for national transit procedure in Türkiye, as well as for transports conducted in accordance with the Convention on a Common Transit Procedure, 1987 (Common Transit Convention), The New Computerized Transit System (NCTS) Phase 5 will be deployed in the Republic of Türkiye as of 17 November 2024.

Therefore, **starting from November 17, 2024, 00:00 UTC +3** (midnight between Saturday and Sunday), NCTS in Türkiye and related certain other related applications will be unavailable until the process of upgrading to Phase 5 is completed, which is expected to take 8-10 hours. The availability of the systems will be announced separately by the Ministry of Trade.

All relevant actors and stakeholders involved with the abovementioned customs procedures are invited to take the situation into consideration to ensure that inconveniences are prevented to the maximum extent possible.
